RESULTS OF THE SELECTIVE TEST FOR STENOGRAPHERS ON Rs. 50-200

1. Selective lists of candidates for appointment to the abovementioned post have been prepared by the Commission on the results of the Selective Test held on 23rd March 1963. The following lists contain the names of eligible candidates for the post of Stenographer on Rs. 50-200 arranged in the order of merit:

2. The lists will come into force from today, i.e. 2-5-1963

3. Two lists are published—Lists 'A' and 'B'.

4. List 'A' contains the names of 55 candidates arranged in the order of merit, according to the rank secured by them in the test. As sufficient number of candidates from Backward Classes, Scheduled Castes and Tribes for which reservation is allowed are not available in the List 'A' to meet the quota reserved for them, supplementary lists of candidates belonging to the above groups of communities, have also been prepared and are published under List 'B'.

5. Recruitment will be made to the post from the List 'A' in the order of merit, subject to the rules relating to reservation of appointment for Backward Classes, Scheduled Castes and Scheduled Tribes and other rules regarding recruitment passed from time to time. Those in the List 'B' will be advised only after the first list is exhausted subject to the rules regarding reservation for appointment to Backward Classes and Scheduled Castes and Tribes under the rules.

6. The lists of candidates for the post of Stenographer on Rs. 50-200 published by the Commission in the Gazette dated 27-3-1962 stand cancelled.

7. Chances of recruitment depend on the incidence of vacancies and hence inclusion in the list should not be taken as a guarantee for appointment.

8. The lists now published will be in force until cancelled by the Commission or replaced by lists prepared on the basis of a fresh selection for the post.

9. Entries in column 5 are based on the communities specified by the candidates in their application forms and proved by them. Candidates whose communities have not been correctly noted in the list should intimate the fact to the undersigned within one month after the date of publication of these lists in the gazette, to get the benefit of the reservation to which they are entitled. In the absence of timely information regarding discrepancies, if any, the candidates will be advised for recruitment on the basis of the details furnished in the lists.

10. Candidates now employed in Government service and who are applicants for recruitment by transfer should note that their seniority in the post of Stenographer if and when they are recruited from these lists, will be based on the date of fresh advice by the Commission.

No. DRB (P) 230/63. *Dated, Palghat 1st April 1963.*

Selective lists of candidates for appointment to the last grade posts on Rs. 30-40 and 35-45.

The lists of candidates declared eligible for recruitment to the Last Grade posts on Rs. 30-40 and Rs. 35-45 in various Departments prepared by the District Recruitment Board, Palghat after the interview held by it on 13-2-1963 are published below. List 'A' contains the names of candidates found suitable for appointment to the Last Grade posts on Rs. 30-40 and List 'B' contains the names of candidates for appointment to the Last Grade posts on Rs. 35-45. Candidates from these lists will be advised for appointment in the order of merit and according to the rules of reservation against the vacancies reported to the Board during the pendency of these lists. The number of vacancies expected for the Last Grade posts on Rs. 30-40 within a period of one year is 100 and that for the Last Grade posts on Rs. 35-45 is 20. Only 25 per cent of the vacancies reported for the posts on Rs. 30-40 will be filled by candidates from the selective list, as 75 per cent have been reserved for recruitment of retrenched Kolkarans as per G. O. MS. No. 116 Revenue dated 2-2-1962. Female candidates included in these lists will be considered for appointment only against vacancies of posts suitable for them. In other cases appointment will be confined to male candidates. The lists now published are incomplete. If required, supplementary lists for the posts will also be published. As appointment from these lists depends upon the occurrence of vacancies, there is no guarantee that all the candidates in these lists will secure appointment. The lists now published will normally be in force for one year, but may be cancelled at any time even before the expiry of the period of one year at the discretion of the Board. On cancellation of these lists the candidates remaining in these lists will have no claim at all for appointment on the basis of their inclusion in these lists.

The lists now published have come into force from the 1st day of March 1963. The selective lists for the above posts prepared in pursuance of the notification published in the Gazette dated [illegible] have ceased to be in force with effect from 1-3-1963.
